

USE OF THE JACUZZI:

- The user does not need to turn the Jacuzzi on/off.
- Before using the Jacuzzi, remove the cover from the basin.
Replace the cover when the Jacuzzi is no longer used.
- There are two buttons on the control panel:

A button for turning on/off the lights in the jacuzzi.

A button for activating the massage jets. Press the button for the second time and the massage jets turn off.

The massage jets will automatically turn off after 20 min.
